

GN 7336

Knurled knobs

technical informations

Material

Plastic, polyamide based (PA) technopolymer, glas fibre reinforced, temperature resistant up to 130 °C.

Threaded bush

Zinc-plated steel ST, blue passivated.

Cover cap

Light grey, matte.

Special executions on request (For sufficient quantities)

- Knurled knobs GN 7336 with nut threaded insert.
- Cover caps in different colours.
- Cover caps with printed lettering.

Features and applications

Knurled knobs GN 7336 distinguish an attractive design in combination with closed shape (no recess on the underside of the handles).

The threaded inserts are standard hexagonal nuts or hexagonal screws which are press-fitted in mechanically.
